

A Dog's Dream is a non-profit project that provides relaxing and restorative vacations for service dogs, rewarding them with the chance to just be dogs in beautiful natural settings, deepening the bond with their partners, and building networks of support for their return home.

A Dog's Dream aims to bring vacation opportunities to service dogs who otherwise would not have the means or opportunity to enjoy them.

A DOG'S DREAM *Retreat*

FOR SERVICE DOGS & THEIR PARTNERS

Yachats, Central Oregon Coast

AUGUST 25-27, 2017

Would you and your service dog like a vacation this year?

A Dog's Dream is sponsoring a service dog retreat on the Central Oregon Coast.

You are invited to apply!

For more information call 503.333.5879, or visit www.citydogcountrydogtraining.com/camps-classes

Dogs have dreams too!

Service dogs are awesome! They work hard and deserve a vacation from time to time. Every dog has dreams, special things they love to do whenever they get the chance - like running free on a beach, sniffing an animal trail to their heart's content, swimming in a river, playing in an open meadow, or snoozing under a shady tree on a warm summer's day.

Refresh and recharge

Partnering with a service dog brings benefits, and also challenges - such as managing public access, dealing with other people's reactions, taking care of your dog's health care needs, tackling ongoing training issues, and facing the eventual retirement and loss of your beloved partner. At this retreat, you will have the opportunity to take part in facilitated group discussions, share stories, tips and training strategies, and gain support from others with similar experiences - while enjoying time out from every day city life.
